Application No. 10/733,139

August 10, 2006

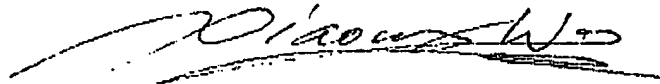

Dear Mr. Jeffrey Jastrzab:

Today I checked the USPTO website with the help from a friend and realized that the final rejection materials were sent out on July 11, 2006, but the materials were returned to your office on July 31, 2006 (please see the attached copy).

I have requested the change of correspondence address since Dec 15, 2005 (please see the attached copy). However, your office still used my old correspondence address, which caused the problem that I did not receive the materials.

I hope that you can help me to correct this and reset the shortened statutory period for reply to this final action.

Yours truly,
